

## Hailsham Historical & Natural History Society

If you wish to become a member of the Society, please fill out your details on the form below, and bring it along to one of our meetings. You can also send the completed form to our Treasurer by post or email (see below). Our preferred method of payment is by Bank Transfer (see details below) and we do also accept cash. You can pay by card at our meetings, but we cannot accept card payments online. We prefer not to take cheques as the bank paying-in process is difficult now that we do not have a local bank branch.

Membership enables you to attend our monthly meetings at no additional cost and to receive our newsletters (usually quarterly).
